Anatomy of a Broken Heart

Heartbreak causes many Suicides!

No matter what age, stage or gender - from adolescent teenagers right through to old 'dinosaurs' like myself and beyond, not one of us is immune from grief. Loss, heartbreak, being *left*, ill health, loneliness, Mental Health issues, Custody and Family Law can ALL cause us grief...

'Grief is the price we always pay for Love!'

These very wise and beautiful words were sent by Queen Elizabeth 2, across the Atlantic Ocean to the City of New York, for the 10th anniversary of the Twin Towers tragedy - in which nearly 3,000 died.

This is the proof for your advertisement in this week's edition of *The Byron Shire Echo*.

If the ad is correct or requires changes please let us know promptly. If changes are required clearly list all amendments to be made and return by email or fax. We work to tight production deadlines, therefore if we do not receive a response from you, we must assume that your ad is correct, and we can therefore accept no responsibility for errors or omissions.

Please note that the purpose of this proof is to check that the content of the advertisement is correct, not to provide a design mock-up. All instructions regarding design aesthetics must be made clear when booking the ad. Redesigning of layout that uses an unreasonable amount of production time will be charged at our Art Studio rates of \$60/hour.
