

Child Sex Abuse

- * Children, including teenagers **are very vulnerable to sex attack**. They can easily be overpowered physically and emotionally.
- * **Most sexual offenders are known to the child:** eg father, inner family, relative, friend.
- * Given the right set of circumstances **this crime can happen 2 ANY child at any time!**
- * All children should be taught early to ...
1. Say **NO**. 2. **RUN**. 3. **TELL** someone U trust!
