Suicide Prevention

It's Every Body's Business!

WE NEED YOU!
'needYOU2!'

*Good Morning!

**You know it's a good morning when you wake up - with everything you need.*

Wake up - check list ...

Am I still breathing?
Yes. It's a great day!
Am I terminally ill?
No. Your day's just got a whole lot better!

Is anyone around me about to leave - or terminally ill?
No. Just fantastic! Even better still!

Is the weather going to be cold, wet or windy?
Yes. Maybe with a beautiful crisp – lovely winter's chill!

◇

I never try to make poems *preachy*,
People don't like their poets being *teachy*!

A melanoma, a heart attack,
A life sixty-five years old,
You never know how it will unfold,
A long term Love - who decided to depart...
I woke one morning - knowing the things,
Now very precious to my heart!

◇

They say there's only 4 things we need to survive and reproduce -
Food, Water, Shelter and Sex.
But **'they'** forgot about some 'happiness and contentment' -
like feeling good about ourselves, who and 'where' we are -
and having someone to love and hold, **and love and hold us in return!!**

◇

However sad, lonely, depressed, stressed or suicidal we may become, there is **always** someone to turn to *****, to help us create a happier life. So we can...

😊 ***Wake up with EVERYTHING we need!*** 😊
