'Sayno-way2Rape!'

When the **Danger** Is **NOT** just from the **Stranger**

Almost 4/5 of rapes were completed by someone known to the victim

From **RAINN: Rape, Abuse & Incest National Network – USA**. The person targeted for assault may be **U**, one of **UR children**, or **someone U know**. The attacker could well be someone **U** or **they know!**

Children, including teenagers, are particularly vulnerable to Sex attack. They can be so easily overpowered, physically and emotionally. This happened to me, aged 15. ALL children should be taught as early as practicable to...

😊 **SAY NO. *RUN. *TELL ... someone you *Trust!** 😊

This is the proof for your advertisement in this week's edition of *The Byron Shire Echo*.

If the ad is correct or requires changes please let us know promptly. If changes are required clearly list all amendments to be made and return by email or fax. We work to tight production deadlines, therefore if we do not receive a response from you, we must assume that your ad is correct, and we can therefore accept no responsibility for errors or omissions.

Please note that the purpose of this proof is to check that the content of the advertisement is correct, not to provide a design mock-up. All instructions regarding design aesthetics must be made clear when booking the ad. Redesigning of layout that uses an unreasonable amount of production time will be charged at our Art Studio rates of \$60/hour.
