Notes for the reader.

This 'sweet' is for **ADULTS ONLY**, but contains **no sex** and **no bad language!**

Reasons it has been put together include

- Support, encouragement and affirmation for the very important "Essential Community Service" provided by our Sex Workers.
- Preventing Male Suicide by lonely or 'left' in Love Males.
- To 'spread the word' about the need to stop Violence and Rape anywhere, anytime, Male, Female, Gay, Bi - Transgender.
- **No Way to Rape and ANY form of physical or emotional violence!**
- Encouraging Workers AND Clients to protect themselves emotionally.
- Positive affirmation for our Women.
- To bring the world of Sex Work into the world of everyday people.
- To give Clients/perspective Clients some basic insights - including the need for Safe Sex and the pitfalls of falling in Love with their Workers.
- Positive help/advice/encouragement/advice for all Males with erectyle issues - bringing this very common problem out into the open.
- To reinforce Safe Sex and the mandatory use of condoms in Sex Work.
- Encouraging a high standard of Professional Service in our Workers.
- And a similar high standard of behaviour and respect by their Clients.

Enjoy!

Best Wishes Always from

Foreword

*My dear Mum always said I'd 'Go Places' – but she **NEVER knew** – some of the 'Places'- I'd end up going!*

Running sheep for a living, and supporting our 1000 S.A. Sex Workers would seem very unlikely '*bed fellows*' – but I love my sheep! Apart from earning enough money for me to live and do the things I really love like walking under my beautiful stars with my 4 dogs - and my Preventative Community Health work, sheep are a very gentle energy, you very rarely see an angry sheep!

In 2007 I started a Men's Health Column in one of our Local Papers. It's bi-monthly, funded by our local Hospital support group and local Rotary International and the paper has a circulation of some 9000 with a readership of 30,000. Every year I do an edition specifically on getting more of our Blokes to go to more doctors – more often. **Healthier, happier Men - means more healthier and happier Women, Children and whole Communities.**

I apply the same logic here. **More Clients needing this vital, "essential" - and at times life saving service - having easier and eventually legal access, more often - to more of our 'Safe, Clean, Professional and Discrete' Sex Workers, must lead to better Health Outcomes for our whole Community.**

A note for our approx 150 Male/Trans/ Bi Sex Workers – and Clients. Because I am basically '*straight*', I have a bit more Gay in me than the average *straight* bloke, it helps make me who I am - and the fact that I will only write about '*The Territory*' that I know, you may feel *left out or ignored* in this booklet - although many issues are the same across the '*Sex Divide*'. Know that who you are - and the beautiful work that you do - is valued and treasured, just as much as our Females. I have included my **Red Rose for a Rapper - just for you.**

In 2011/12 I spent a total of 3 whole 9 ½ hr days sitting alone on the steps of Parliament House, supporting the now defeated **Sex Work Reform Bill**. My **Whose Body is a Whore's?** - which I wrote for ALL '69' Sitting Members, and my **Hooker's Blessing** - formed part of my two 'packages' sent to them all.

ALL the poems in this booklet - are 'Laced with Love' - 4 every 1 of U!

A Hooker's Blessing

*Bless this most beautiful, gutsy and courageous Woman,
Bless the beautiful work that she does,
And bless her beautiful heart,*

*And keep her very safe and protected,
From the end of her each and every day,
Right back through - to its very start.*

*Paid Lover, Earth Mother, and my 'Angel Brother',
May she, her own Love and her children,
Always find - or be able to discover,
Peace, happiness, and union sweet ...*

*And all the people in her 'night'
That she fills with her beautiful energy and light -
Each and every single time that they meet.*

*Bless this most beautiful, gutsy and courageous Woman,
Bless the beautiful work that she does,
And bless her beautiful heart,*

*And ALWAYS keep her very safe and protected,
From the end of her each and every day,
Right back through - to its very start.*

“Whatever you do to me – I’ll walk away smiling” 😊

Leaving your breasts and *tum*
I started with my hands upon your beautiful bum,
Then massaging your back,
Moving up to your head
Suddenly I said
*“Marlene - just what is that?
Golly, gosh and heck”*
A pint sized tat
A tiny face - was in this place,
Smiling right up at me
From the back of your beautiful neck!

“Ah”, she said
*“You’ve discovered my Smiley Face -
**Whatever you do to me,
I’ll walk away smiling -
Nothing you do to hurt me,
Or give me an ‘uncomfortable ride,’
Will never ‘break’ or never ‘take’ -
Because my happiness comes
From a different, special place,
That’s buried safely within me
Deep down inside.”***

Such an awesome, powerful, message
Needs a bigger, much broader stage,
The more people to engage
This universal message to *unfurl*

So from this older *rhymin’ gent*
Your very own message is being sent,
Just another line of *attack!*
Smiling out loud - to a far bigger crowd
Than will ever see the *‘back’* -

Of this *Awesome*

Powerful Girl!

“The Oldest Profession” - Staying Professional!

You'll NEVER know what this means!

The thing about getting raped,
My *dearest, sweet* Marlene -
It happened to me
From within my own family,
When I wasn't quite
Sweet sixteen!

Trust was bust,
Night was fright,
Life was without
Happiness, touch, laughter or light!

But because, like you I've grown
A very sensible, positive head,
And somewhere inside me - very close and near
I've replaced my loneliness, anger and fear,
With my very own protective
Little '*Smiley Place*' - instead.

So each and every time
Someone like you
Is straight, respectful, professional and true,
Not to mention being warm, loving and caring too!
You do exactly what you say,
Don't just grab my money,
And then '*go away*' -
And 60 minutes means an hour...

So trust is no longer bust
And touch is something
I long for again - so very, very much,
This helps rebuild my *inner power*,
Each time Marlene - I make a *tiny new start*,
Sex is becoming very beautiful again

To be shared - with another trusting, ***Smiling Heart!***

The Awesome Power of One

One Pretty, Powerful Prostitute,
One pint sized, *Smiley Faced* Tat,
One *clumsy hearted* Rhymer
Who noticed where this Girl 'was at',

Such a very Powerful Person –
With integrity, class and style,

“Whatever U do to me – I’ll walk away - wearing a Happy Smile”!

So this Rhymer writes her a poem,
That ends in two happy *Smiley Faces* -
Which gives him the 'Heads Up' - for a logo,
That's got two little happy '*Smiley Places*!'

The message in this *whole encounter* – if there was one to *unfurl*,
Put one *clumsy hearted* Rhymer - with one Beautiful, Powerful Girl,
Add one Pint Sized *Smiley Face* Tat, well - ***just for fun!***

Put it down to a *tiny, twist of fate?*
Not bad going for one '***Blind Date!***'
'*From little things big things grow,*'
One thing for certain that I know,
And tip my hat to - in salute,

The Power in this Pretty Prostitute

The Awesome Power of One!
