

## For anyone interested in funding/sponsoring my Suicide Prevention Ads.

I currently have 3 Sponsors for my Preventative Community Health Work. My bi monthly Men's Health Column in The Gawler '*Bunyip*' (NOT part of this site) has been funded for 8 years now by the Gawler Health Foundation and Gawler Rotary, and I have 2 for my Prevention ads (one for long and one for short) in The Barossa *Leader*, BOTH have chosen to remain anonymous.

If you are considering funding/being a Sponsor, here is some info which may be helpful...

- **Your money goes DIRECT to the Newspaper concerned**
- **I organise this with the paper and yourself**
- **You just 'make it happen!'**
- (I know - or can quickly find out for you how much the ads cost but
- I will NOT put this info on this site as this is 'commercially confidential')
- Being anonymous means no one is going to ask you any questions
- Or go asking you to Sponsor something else but
- But this MAY preclude you from claiming payments as a Tax Deduction
- OR claiming back GST (**U would need to check this with UR accountant**)
- I am NOT an accountant but I have been told by the ATO there is NO Tax deduction for Suicide Prevention.
- However if you are Sponsoring,
- Then you are advertising UR business if you have one,
- And my understanding is that you should (may) be able to claim both a Tax Deduction and the GST. **Again, please check with UR accountant.**
- If you have any concerns about Public Liability
- I refer you back to the Main menu bar
- Read Home Page and goto '*Disclaimer*',
- Otherwise please give me a ring.

**I do NOT seek to accept or receive ANY money from you (or anyone else) ... I earn my living running sheep!**

- But I write the Ads and 'make them happen'.

My mobile number is 0402018163, or email [info@suicidepreventionads.com](mailto:info@suicidepreventionads.com) or goto 'Contact' on main menu of site.
