# Suicide Prevention

It's Every Body's Business!

😊 Vote 1 😊

😊 **Smiley Award 2015** 😊

Cafe Nova, Gawler.

**That cheeky Nova Star!**

At The *Nova*,  
Happiness and Laughter,  
Is always on the menu!

Hardly surprising *Nova's* got lots, and lots of fans -  
Each and every meal is made and served,  
With smiling, happy hands,  
A special women's place - and yet,  
Just as much a man's!

Always a joke being served - by the *beautiful*,  
Spunky girls and boys, behind the bar -  
All beneath that *cheeky*,  
*Twinkling*, *Nova Star!*

With chairs on tables, in early morning hours,  
People *cuddled up* and sleeping -  
The only time - it's quiet as a mouse.  
But when morning comes,  
That *Star* soon starts to *twinkle...*

Happiness and Laughter  
Is back on the menu again –

Always *cheeky*,  
And of course,  
Always  
**'On the house!'**

With our world filled with such misery, bad news, depression etc, in a unanimous, 'landslide' vote, my distinguished judging panel realised that the *Nova* being a 'happy space' doesn't '*just happen!*' It happens because this is the culture of the Management, handed down to all of it's 50 staff!

**Congrats to Jim, Therese, Tony - and ALL the *Nova* team, because...**

😊 "**U smile, the whole world smiles with U!**" 😊
